Abortion Drone: flight to Northern Ireland

Posted by fidest press agency su giovedì, 16 giugno 2016

On Tuesday 21 June, 2016 at 10.00 am the abortion drone will fly abortion pills from Ireland to Northern Ireland at Narrow Water.

The Abortion Drone is a collaboration between Alliance for Choice; Rosa; Labour Alternative and Women on Waves. It is an all-island act of solidarity between women in the north and the south to highlight the violation of human rights caused by the existing laws that criminalise abortion in both the north and south of Ireland except in very limited circumstances. The Abortion drone will mark the different reality for Irish

women to access safe abortion services compared to women in other European countries where abortion is legal. The different laws in both countries allow for a drone to fly abortion pills lawfully from the South to the North.

The drone will start its journey at 10.00 AM near Cornamucklagh House at the R173 road in Ireland. After the abortion drone flight, there will be a protest in front of the Court of Appeal in Belfast at 2.30 pm when the appeal regarding the decision by the High Court that Northern Ireland's abortion law breaches the European Convention on Human Rights will be heard.
