

Evaluation of Impact of the Training and Dissemination Campaigns

General Information about your organization	
Name of your Organization	
Country	
Date of the training	
Project period	
Dissemination period	
Date of this evaluation form	
Names of the persons involved in completing this form	

Step 1: Mid term evaluation

Guidance on evaluating the mid-term evaluation

During the past XX months your organization completed different activities focused on disseminating information about the use of misoprostol for safe birth and safe abortion. Please provide an overview of the activities carried out and comment on the progress of the dissemination campaign by adding reflections and giving examples of concrete successes, challenges, using the format below. Furthermore we ask you to fill out the short questionnaire measuring the progress of the dissemination.

Part 1: self-evaluation in writing (2-3 pages max)

Part 2: short questionnaire

Part 1: Self-evaluation

I. Overview of the activities carried out
<i>Please use the table below to provide a brief overview of the activities carried out by your organization, specifying who was involved, what happened where and when together with a description of the process. Please include your comments under 'reflection'.</i>

www.womenonweb.org

● WOMEN ON WEB

Objectives of the dissemination campaign	Description of the activities carried out	When were the activities carried out and who was involved?	Reflection on methods and strategies	Reflection on successes and failures

II. Concrete success stories

Please provide examples of success stories. Please include at least one story about either: -a particular woman that was helped, -a dissemination strategy that worked well, or -an attitude change that you created.

[TYPE HERE]

III. Challenges

Please indicate the biggest, concrete challenges you encountered in sharing information about misoprostol.

[TYPE HERE]

IV. Collaboration with Women on Web

Comment on the collaboration; let us know if you would like to see changes.
